

International Studies Advising Bulletin: Registration for Spring 2013.

Brian Potter, SSB 219c, potter@tcnj.edu

Below you will find a list of Spring 2013 courses to fulfill the International Studies major. Preceding the list are several announcements and opportunities.

If you want registration advice, please see your assigned advisor or Professor Potter. Prior to the meeting, look at the requirements in the Undergraduate Bulletin (http://www.tcnj.edu/~bulletin/current/International_Studies.pdf), run your PAWS Academic Requirements report and come in with a written draft schedule for the semester. Consider asking questions about issues beyond the semester, such as study abroad or plans after graduation. For guidance on how to prepare better for your advisement session and plan your academic career, see the “Advising” links on the School of Humanities & Social Sciences website: <http://hss.pages.tcnj.edu/>

If you have an advising hold on your PAWS account, please make an appointment with your advisor or Professor Potter well ahead of your registration date.

Please take your upper level economics/international business course in the semester immediately after you take ECO 102: Macroeconomics. Since better mathematical skills improve student performance in economics courses, ECO 102 requires one of the following as a prerequisite: MAT 95, 96, 125, 127 or 128.

If a course is full or reserved for majors, please ask the instructor if you can have permission to enroll. If you continue to have problems, please contact Professor Potter.

ANNOUNCEMENTS

If this document does not answer all of your questions about International Studies, you might meet with the *peer mentor* for the major, Bryan Furman. Bryan can help answer any questions you have about the major, careers, processes within the school, and any questions you have in general. He holds office hours Mondays 11:30 to 12:30 and Tuesdays 1:00-2:00 in the Atrium. You can contact Bryan at furman6@tcnj.edu

Please vote for your *student representative* to the International Studies Core Committee. The two student representatives (the other is Annabel Lau) are your voice in the program. So far, only one student has voted. Dead people in Bergen County have a higher participation rate! Voting has been extended until October 26, so stop by the Political Science office and vote.

On Fridays from 12-1pm, TCNJ's student radio station 91.3 FM WTSR will be broadcasting an *international news/politics discourse hour*. All students in the School of

Humanities and Social Sciences are welcome to participate. For more information, email Nicolas Dolce at news@wtsr.org.

Many courses on this list can be complimented with *Languages Across the Curriculum* credit. This is a one-quarter unit independent study whereby those students who have intermediate level proficiency in another language complement work in a course by utilizing their language skills. Students must enroll before the add/drop deadline. Please visit the LAC website at <http://internationalstudies.intrasun.tcnj.edu> or contact Dr. Compte for more information (dcompte@tcnj.edu).
