

**International Studies Advising Bulletin:
Registration for Fall 2013.**

Brian Potter, SSB 219c, potter@tcnj.edu

Below you will find a list of Fall 2013 courses to fulfill the International Studies major. Preceding the list are several announcements and opportunities.

If you want registration advice, please see your assigned advisor or Professor Potter. Prior to the meeting, look at the requirements in the Undergraduate Bulletin (http://www.tcnj.edu/~bulletin/current/International_Studies.pdf), run your PAWS Academic Requirements report and come in with a written draft schedule for the semester. Consider asking questions about issues beyond the semester, such as study abroad or plans after graduation. For guidance on how to prepare better for your advisement session and plan your academic career, see the “Advising” links on the School of Humanities & Social Sciences website: <http://hss.pages.tcnj.edu/>

If you have an advising hold on your PAWS account, please make an appointment with your advisor or Professor Potter well ahead of your registration date.

Please take your upper level economics/international business course in the semester immediately after you take ECO 102: Macroeconomics. Since better mathematical skills improve student performance in economics courses, ECO 102 requires one of the following as a prerequisite: MAT 95, 96, 125, 127 or 128.

If a course is full or reserved for majors, please ask the instructor if you can have permission to enroll. If you continue to have problems, please contact Professor Potter.
